2. PDS Structure

Type of statement	Requirement
TSP contact information	<p>Register S.p.A.</p> <p>Registered office: 50122 (FI), Viale della Giovine Italia, 17</p> <p>Operating offices:</p> <ul style="list-style-type: none"> • Firenze, Viale della Giovine Italia, 17 • Bergamo, Via Zanchi 22 <p>VAT code: 04628270482</p> <p>Website: https://www.register.it/</p> <p>Support: https://www.register.it/help/</p> <p>PEC: gestoreidp@pec.register.it</p>
Type of certificate, validation procedures and their use	<p>The qualified certificates follow European standard ETSI EN 319 411 and those connected therein. The Policy and Practice Statement is applied. The algorithm for calculating the digest used is SHA256. For more information, see the area: https://www.register.it/assistenza/tsa/</p> <p>The time-stamping service consists of the issuance of time evidence, in the form of a Time Stamp Token (i.e. a digital object conforming to the IETF RFC 3161 specifications). The time stamp that is issued this way has the purpose of associating a UTC time reference to a set of electronic data in a certain and legally binding/legally enforceable way to third parties.</p> <p>Currently the time marking service is not provided to the public.</p>
Limit of custody	<p>The certificates issued are kept for at least 20 (twenty) years in a standard storage system (for Italy).</p>
Obligations of Holders	<p>The Holders must comply with all the CPS clauses.</p> <p>The services are made available upon payment of a fee (currently limited to internal use only)</p> <p>The provision and use of an Internet connection and the necessary tools (hardware and software) are the responsibility of subscribers.</p> <p>Subscribers must protect the secrecy of their system access credentials by not communicating them or disclosing them to third parties.</p>
Status of the certificate and obligations of the parties involved	<p>The parties involved must verify that the digital certificate is valid at the time of release by referring to the Online Certificate Status Protocol or the Certificate Revocation</p>

	<p>List, available at the URL https://www.register.it/assistenza/tsa/</p> <p>The parties must consider all restrictions regarding use, as indicated in the Policy, and must undertake every possible precaution therein.</p>
Limitation of guarantees and liability	<p>Register is liable for intent or fault, to any natural or legal person, following a failure to fulfill the obligations pursuant to Regulation (EU) No. 910/2014 of the European Parliament and of the Council of 23 July 2014.</p>
Applicable agreements, CPS, CP	<p>Certificate policies (CP) are indicated in the CPS. Agreements and conditions that apply to the service are reported in the documents published in the area: https://www.register.it/assistenza/tsa/</p>
Privacy protection	<p>The personal data of the Holders, of the Applicants and of the subjects with whom Register comes into contact while carrying out its activities shall be processed in compliance with the current legislation on the processing of personal data provided pursuant to art. 13 of EU Regulation 2016/679 ("GDPR"), guaranteeing the protection of the interested parties, in particular ensuring the right to receive adequate information on the processing of personal data.</p>
Reimbursement policies	<p>Complaints can be filed in accordance with the provisions of this Service Charter or as indicated in the General Contract Conditions.</p> <p>Complaints can be sent to the Register by mail at the following address: Via Zanchi 22, 24126 - Bergamo.</p> <p>They can also be sent by certified email to: dadaspa@dadapec.com</p>
Applicable laws, complaints and competent jurisdiction	<p>The service provided by Register is subject to Italian and European laws. Any disputes concerning or deriving from this Service, or from its execution, shall be under the exclusive jurisdiction of the Court of Florence, unless the Contract was stipulated by a Consumer, in which case the Court of jurisdiction shall be the domicile or residence of the Consumer.</p>
Accreditations, trust marks and compliance checks	<p>Register is a Trust Service Provider (Trust Service Provider) of Electronic Time Validation pursuant to the eIDAS Regulation from 16 February 2018.</p> <p>The service is subject to verification of compliance with the ETSI EN 319 411-1 and ETSI EN 319 411-2 standards by an</p>

	independent, qualified and accredited external auditor, as required by the eIDAS Regulation.
